

Healthcare Inequality in Malaysia

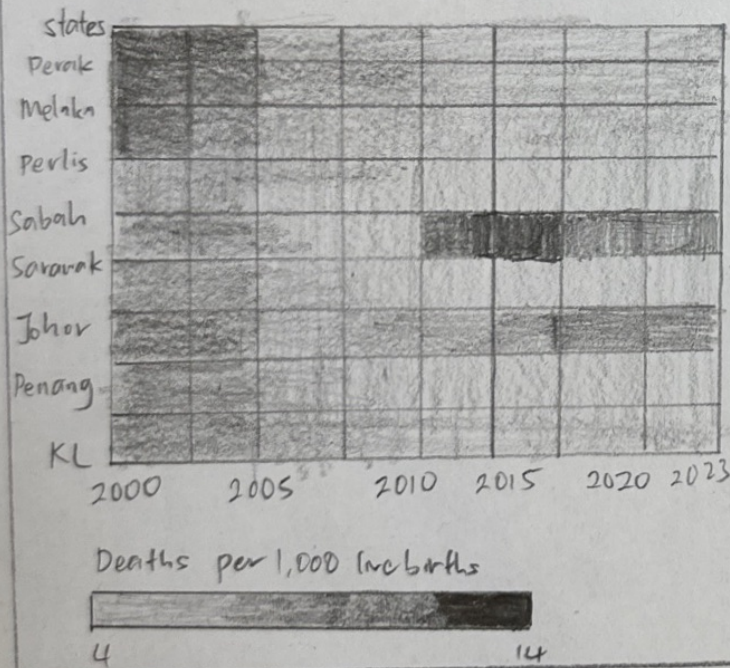

Where you're born determines how long you'll live in Malaysia

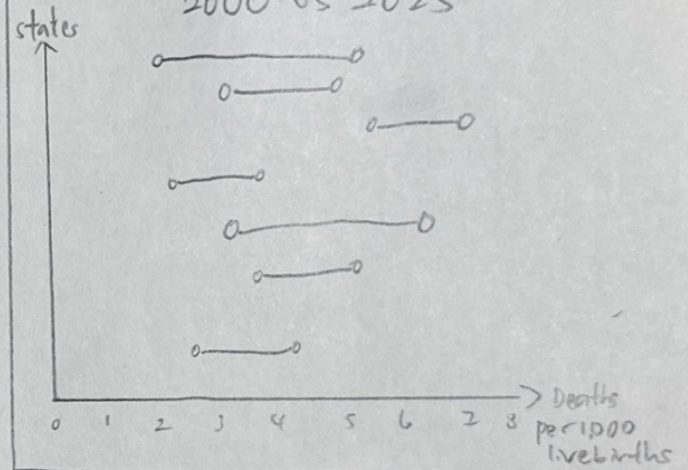

Goal: To show how geography, income, and systemic inequality determine health outcomes across Malaysian states

Target Audience: Average Malaysians seeking to understand healthcare disparities in their own country

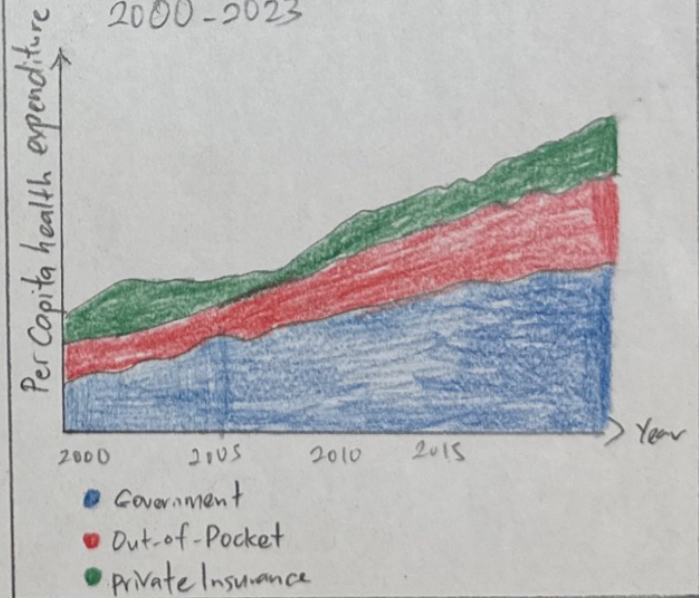

The same states, stuck in the same place

Child Death Rates by States, 2000 vs 2023

Health Spending per Capita by Source 2000-2023

Who Pays for Getting Sick
